

# Container

Container and Portacabin modules can be installed individually or combined to form entire building complexes. All our systems are highly adaptable, and rapid and easy to install. All containers are lockable and equipped with power connections, electric heaters, and air conditioning. In addition, a variety of door and window configurations are available.

**Areas of application:**

Mobile crane sites

Heavy-lift transport

Mobile logistics

Wind power generator construction

Temporary walkways

Road construction and access roads

Line construction

Concerts and events

Mobile parking lots
